About Frontier Airlines:

Frontier Airlines ([NASDAQ: ULCC](https://www.nasdaq.com/markets/stocks/quotes/ULCC)) is committed to "Low Fares Done Right." Headquartered in Denver, Colorado, the company operates more than 100 A320 family aircraft and has the largest A320neo fleet in the U.S. The use of these aircraft, Frontier's seating configuration, weight-saving tactics and baggage process have all contributed to the airline's average of 43 percent fuel savings compared to other U.S. airlines (fuel savings is based on Frontier Airlines' 2019 fuel consumption per seat-mile compared to the weighted average of major U.S. airlines), which makes Frontier the most fuel-efficient U.S. airline. With over 150 new Airbus planes on order, Frontier will continue to grow to deliver on the mission of providing affordable travel across America.
