About Frontier Airlines

Frontier Airlines (NASDAQ: ULCC) is committed to "Low Fares Done Right." Headquartered in Denver, Colorado, the company operates 120 A320 family aircraft and has among the largest A320neo family fleets in the U.S. The use of these aircraft and Frontier's seating configuration, weight-saving tactics and baggage process have all contributed to Frontier's continued ability to be the most fuel-efficient of all major U.S. carriers when measured by ASMs per fuel gallon consumed. With over 230 new Airbus planes on order, including direct leases, Frontier will continue to grow to deliver on the mission of providing affordable travel across America.
