You are a valued partner, and we are reaching out with important and exciting news: we are combining with Spirit Airlines to create America's most competitive ultra-low-fare airline. Together, Frontier and Spirit expect to change the industry for the benefit of consumers, bringing more ultra-low fares to more travelers in more destinations across the United States, Latin America and the Caribbean, including major cities as well as underserved communities.

The need for affordable fares has never been greater, and now is the right time to join forces with Spirit to increase access to low-fare options. Together, we will be able to:

- Offer more than 1,000 daily flights to over 145 destinations in 19 countries, across complementary networks;
- Expand with more than 350 aircraft on order to deliver more ultra-low fares;
- Increase access to ultra-low fares by adding new routes to underserved communities;
- Operate the youngest, most modern and fuel-efficient fleet in the U.S.; and
- Deliver an expected \$1 billion in annual consumer savings.

Put simply, we are providing more low fares to more people in more places across our complementary networks. In doing so, we look forward to delivering value together as one organization to our business partners, as well as our team members, customers and the communities we serve.

***Next Steps: Business as Usual***

While there are many reasons to be excited today, please keep in mind that this announcement is just the first step. We expect to close the transaction in the second half of 2022. Between now and then, Frontier and Spirit will operate separately, and it is business as usual. We will continue to focus on our mission of delivering Low Fares Done Right.

We will continue to update you as we make progress in the transaction process. As always, if you have any questions, please reach out to me directly.

We value our important relationship and look forward to working closely with you into the future. Thank you for your continued support.

Sincerely,

Randy Ruggieri
