## Frontier Airlines' Statement Regarding HSR Second Request

---

On April 13, 2022, Frontier received a request for additional information from the U.S. Department of Justice (DOJ) with respect to its proposed merger with Spirit. A second request from the DOJ was expected for a transaction of this nature – any other airline combination would expect the same. Over the last several weeks, Frontier and Spirit have been voluntarily providing information to the DOJ in order to facilitate its review of the proposed transaction and will continue to do so over the coming months.

A combined Spirit and Frontier will deliver \$1 billion in annual savings for consumers and offer even more ultra-low fares to more places. Together, we will create a true nationwide ultra-low fare competitor against the dominant 'Big Four' airlines and other high-cost airlines like JetBlue. In addition, the structure of the transaction will enable both Spirit and Frontier shareholders to benefit from the substantial upside potential of the combined company.

We look forward to demonstrating the consumer benefits inherent in the Frontier and Spirit combination at a time when JetBlue has made a proposal that would reduce competition and lead to more expensive travel for consumers. We can't wait to bring even more ultra-low fares to more places. Consumers looking for affordable flight options across the country are counting on it.
