We're combining with Spirit Airlines to create America's most competitive ultra-low fare airline.

Together, Frontier and Spirit expect to change the industry for the benefit of consumers, bringing more ultra-low fares to more travelers in more destinations across the United States, Latin America and the Caribbean.

The combined airline will offer more than 1,000 daily flights to over 145 destinations in 19 countries across complementary networks – and we'll do so on the youngest, most modern and fuel-efficient fleet in the United States.

We expect our team members will have even better career opportunities and more stability as a result of the proposed combination. In fact, by 2026, Frontier and Spirit expect to add 10,000 direct jobs. Learn more about our job opportunities at www.flyfrontier.com/careers.
